## What makes NUTRI-TEEN Gummies different?

You mean other than being bear shaped, delicious and doing what they say on the bottle?

Active children balance frequent, intense participation in sport along with transitioning through rapid periods of growth. If they are selective eaters, or skip meals, this places them at a greater risk of nutritional deficiencies.

NUTRI-TEEN Vitamin and Omega- 3 Gummy bears were developed by evaluating common nutritional deficiencies and the heightened need for specific nutrients important for growth and development.

These include vitamin D, vitamin B12, vitamin B6 plus a lot more.

Each gummy is packed with

**8 superstar vitamins** ✨

Supporting Your Childs:

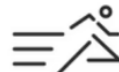

### Brain power

Vitamin B12 supports normal psychological function

### Normal growth

Vitamin D contributes to normal growth & development

### Energy

Vitamin E Contributes to the reduction of tiredness + fatigue

### Immunity

Vitamin C contributes to normal immune system function

NUTRI-TEEN Gummies

Your children's daily source of nutrition to support immunity, normal growth and reduce tiredness.

- ✔ Increase your child's energy levels & fight fatigue
- ✔ Boosts their immune health
- ✔ Supports normal cognitive function
- ✔ Help avoid fussy eating or undernourishment from skipping meals

### 8 essential vitamins for growing children

Supporting a variety of development needs

#### Vitamin C

Supporting normal immune system function

#### No added sugar

But still tangy orange delicious!

### A source of Omega 3

Healthy fats from flaxseeds supporting normal brain function

#### Vitamin D3

Supporting normal bone growth and development in children

#### Naturally flavoured

Natural flavouring means no nasties!

## A PARENTS GUIDE TO NUTRI-TEEN Multivitamin and Omega-3 Gummy Bears

Our children's chewable multivitamin and Omega-3 enriched bear-shaped gummies in a tasty tangy orange flavour.

Specifically formulated for active children **ages 3-16**. Our unique formula with **essential** vitamins and omega 3 is designed to provide the nutritional support and **energy**<sup>1</sup> kids' need for a **healthy body** and **brain development**<sup>2</sup>, **strong bones**<sup>3</sup>, and **immunity**<sup>4</sup> - in one delicious, **low sugar** gummy.

Specially designed for children from three years old, but can be taken by teenagers and adults too.

Free from artificial colours and flavours.

### What age can my child use these from?

Our gummies can be used by ages 3+.

We recommend no more than one gummy per day.

---

### 100% Happiness Guarantee

We understand kids can be fussy eaters.

So, if the first flavour you try isn't right for your child, we'll replace it with a new flavour

free of charge or your money back.  
No questions asked.

---
